

HOLIDAY WISHES

A program of Partnerships for Children

Thank you so much for your interest in our annual Holiday Wishes program. We'd be delighted to have you participate in the magic! Caseworkers have already started submitting their lists of children and we are in full swing. Here are the various ways that you can help:

1. **Become an Ambassador** - serve as an individual who is willing to coordinate a group of friends, families and/or colleagues to sponsor children for the holiday. Ambassadors are responsible for assigning lists to sponsors within your group and for collecting the new, UNWRAPPED gifts and delivering them to the Partnerships for Children office anytime during the week of December 3rd, with Friday, December 7th, being the final drop-off day. Simply email us the number of children you'd like to request for your group and we'll email you back within 1-2 days with the list of children and their wishes. The suggested contribution per child is \$75.00.
2. **Become a Sponsor** - serve as an individual who purchases requests for a specific child/children. Email us the number of children you'd like to sponsor, and we'll email you back within 1-2 days with the list of children and their wishes. The suggested contribution per child is \$75.00. All gifts should be delivered to the Partnerships for Children office anytime during the week of December 3rd, with Friday, December 7th, being the final drop-off day.
3. **General Gift Collection** - hold a general gift drive and/or purchase/collect general gifts for children of any age (newborn-18 yrs.) that caseworkers may distribute to children who enter the CPS system in late November/December. Gifts should be new and UNWRAPPED. All gifts should be delivered to the Partnerships for Children office anytime during the week of December 3rd, with Friday, December 7th, being the final drop-off day.
4. **Make a Financial Contribution** - no time to shop??? Make a financial contribution and let the elves at Partnerships for Children do the shopping for you!
