

GIRLS + GIVING 2019 | PARTNERSHIPS FOR CHILDREN

SOLID GOLD

Oh yes, it's ladies' night

Friends,

Partnerships for Children is a non-profit organization that helps Central Texas' abused and neglected children in the care of CPS and the foster system. **On September 26, 2019, we will host our 8th Annual Girls & Giving event at South Congress Hotel.** It will be an evening of giving back as we enjoy this year's theme "Solid Gold: Oh yes, it's ladies' night!" Please join us for an amazing girls' night out with food, signature cocktails, exciting raffles, live music and dancing! Please consider helping children in the care of Child Protective Services (CPS) by becoming a sponsor for our event.

Last year, Partnerships for Children helped more than 15,000 children through several outreach programs such as the Rainbow Rooms, The Heart Gallery, Holiday Wishes, and YES Mentoring. Rainbow Rooms are emergency resource centers located in the Travis County CPS office where caseworkers can access necessities like baby formula, clothing, food, blankets, and children's toys. More than 500 children each month are served by the Rainbow Room, where caseworkers may also submit special requests for the larger items such as furniture, car seats and twin beds. The Heart Gallery of Central Texas is an online database and traveling portrait exhibit featuring children in CPS care who are awaiting their forever family. Over 225 children are currently featured in the gallery, and around 90 adoption inquiries are answered weekly. Holiday Wishes allows those same children to share in the joy of the holiday season. Each year, Holiday Wishes provides gift wishes for over 5,500 children in CPS care. YES Mentoring is aimed at improving teens' self-esteem and strengthening their ability to make responsible decisions prior to "aging out" of foster care at age eighteen. Over 100 youth participate in YES Mentoring each year, receiving valuable fiscal training and emotional mentoring.

Please help us expand our outreach to all children who need assistance by becoming a sponsor at the 2019 Girls & Giving event. All sponsors will receive recognition in the event program and on the event invitation, which will reach over 4,000 households in the central Texas area, as well as online and through social media. Please review the enclosed Sponsorship Opportunities to determine how you can best support this event. If you have questions, please feel free to contact us at elisabeth@partnershipsforchildren.org or visit our website for more event information: www.partnershipsforchildren.org

Thank you for your consideration. We look forward to seeing you in September!

Sincerely,

Lynn Bonsky, 2019 Event Chair
